German-Style License Plates Available

The new privately-owned vehicle license plates that resemble German plates are available at the Vehicle Registration Office, building 2930 on Panzer Kaserne. The new plates, which will eventually be mandatory, are optional at present.

Those individuals who wish to only exchange current USAREUR plates for the new German style should visit the VRO July 22 or Aug. 12, 9 a.m. to 3 p.m. Bring current plates, white copy of registration, ID card, USAREUR drivers license and a check or money order for \$20. Current registrations must be valid for more than 60 days from date of exchange.

The new plates do not have pre-drilled holes. Personnel with European-spec vehicles are advised to visit a German car dealer and obtain license plate brackets designed to accommodate the plates, and take them to the VRO. The Army and Air Force Exchange Service plans to sell these brackets at the Panzer Car Care Center shortly. For info call 431-2833/civ. 07031-15-833.

Local Purchase Supply Policy Changes

Effective July 1, USAREUR units and supported customers purchasing non-standard or non-stocked materials through the 6th Area Support Group Supply Support Office are required to annotate unit fund information on local purchase request documents. The form normally used for these transactions is DA Form 3953, Purchase Request and Commitment.

Previously, the Army Stock Fund was used to fund these purchases initially and unit funds reimbursed the stock fund upon delivery of the material. This change eliminates the Army Working Capital Fund as a source of funds for local purchase contracts in support of a single stock fund. For info call, 430-7224/civ. 0711-680-7224.
